NUTerm 2017 : The 3rd International Symposium on Translation-oriented Terminology Studies

CALL FOR PAPERS

"**NUTerm 2017**: The 3rd International Symposium on Translation-oriented Terminology Studies" will be held on Nov. 11-12, 2017 at Nanjing University (Xianlin Campus), P.R. China.

This international symposium is mainly intended for researchers and practitioners in the field of term translation worldwide. The aim of "NUTerm 2017" is to encourage the circulation of professional knowledge and to create an opportunity to share innovative ideas and develop new thoughts. The conference is focused on the theme "**Terminology, Knowledge and Discourse**". We welcome papers reporting original and unpublished research results and experience. Both individual papers (20 minutes) and panel (3-4 panelists) discussions are equally encouraged. The conference languages are **English** and **Chinese**.

- **SPONSORS**

- China National Committee for Terms in Sciences and Technologies
- School of Foreign Studies, Nanjing University, P.R. China

- **TOPICS**

The organizing committee cordially invites any novel research ideas in (but not limited to) the following topics:

1. **Terminology and Translation**
   - Cross-lingual normality of terms and theoretical innovation of terminology studies
   - Particularities and complexities of terminological translation(s)
   - Historical studies of terminology and its translation(s)

2. **Terminological Translation(s) and Knowledge Science**
   - Terminological translation(s) in/and cross-lingual ontologies
   - Terminological translation(s) in/and cross-lingual knowledge services
   - Terminological translation(s) in/and academic histories

3. **Terminological Translation(s) and Discoursal Activities**
   - Terminological translation(s) in/and discourse construction

- Terminological translation(s) in/and discourse dissemination
- Terminological translation(s) and discourse criticism

4. Terminology Technologies and Cross-lingual Applications
- Terminological translation(s) in/and cross-lingual knowledge extraction
- Multi-lingual term bank and lexicography
- Terminological translation(s) in/and terminology standardization

- **IMPORTANT DATES**

- Abstract submission: January 15, 2017 (Anywhere on Earth)
- Notification of acceptance: March 15, 2017
- Paper submission: June 30, 2017
- Camera ready copy due: August 30, 2017
- Conference dates: November 11 and 12, 2017

- **INSTRUCTIONS FOR AUTHORS**

- **Abstracts** (max. 500 words, including 3-5 key words) should be sent as a *Word* attachment to the e-mail address: **njubdrc@163.com,** with a unified **naming format** of "author name + paper title" and an **email subject** of "NUTerm 2017". Personal contact information should be provided on a new page.

- All abstracts will be blind reviewed by an international panel of academics and practitioners. Proposals will be selected on the basis of merit and the need to create a well-balanced program. Sessions that embrace the cross-lingual and cross-cultural aspects of terminology studies (in **humanities and social sciences**) are particularly welcome. We plan to publish the conference proceedings, following also review process.

- Decisions will be announced in early March 2017, by email directly to the author(s). Please email **njubdrc@163.com** if you do not hear from us by 15 March 2017.
